

About **THE SKILLIANS**

Established in 2021 and spearheaded by **Mr. Chaitanya Sharma**, The Skillians Academy has swiftly become a distinguished institution in the realm of IT education. Founder and CEO Mr. Sharma, leveraging his **extensive six-year background in educational technology**, leads the organisation with an unwavering commitment to preparing students for successful IT careers.

Since its inception, **The Skillians Academy** has played a pivotal role in **securing over 1000 placements** for its graduates in leading tech companies, including **an impressive 270 placements in prestigious MAANG companies such as Microsoft, Amazon, Apple, Netflix, and Google**. This remarkable track record underscores the academy's dedication to providing tangible career growth opportunities for its students.

Going beyond conventional education, The Skillians Academy actively supports IT companies in talent acquisition at no cost, optimising the hiring process to enhance efficiency and expedite software development and data analytics endeavours. ***Our holistic approach aims not only to educate but to empower, inviting individuals to join us on a transformative journey to unleash their fullest potential in the ever-evolving world of IT.***

What do we OFFER?

The Skillians Pay After Placement Dream-Upskill-Achieve

A bootcamp which allows the student to learn and develop their skills in trending technology, places them and then charge them the fee.
